

Jeaney's Music Pub Fuerstenfeldbruck

Muenchner Str. 3 * 82256 Fuerstenfeldbruck

A new secret location in Fuerstenfeldbruck, "FFB" 25 kms west of Munich.

A nice place with a nice lady (Regina) running it. Only Fridays or Saturdays.
Unfortunately, the deal is by the hat, due to the special situation of the place.

It is a contracted Slot machine place that has live music on the weekends and so no admission fee can be taken. So, drinks are free, but, alas, no food. Jeaney's may come in handy as a „Tour-Filler“ for smaller touring acts.

As Jeaney's was conceived for local bands, only on rare occasions there is a private sleeping possibility that can be arranged for, no promises!

There is a pizza place to order from and prices are quite moderate.
Live-Music only Fridays and Saturdays, usually from 8:30 pm to 11:00pm (Curfew)

PA system with a 8 XLR in+ Line jacks mixer, 3 mics, cables and stands are provided plus 4 small floor monitors. A small stage, but we had five piece bands playing there at no problem. Acoustics are easy to handle, so sound check can be done in no time at all. There are also a couple of RGB LED lights, to complete the picture.

Just behind the building we have two parking places in the yard for the bands.
For any further questions feel free to contact me by email, I will take care!!
